

About Active Property

Here you can learn more about our organisation and the services we provide.

You can find out about our Board of Directors, download our Annual Reports and read our vision, mission and commitment statements.

Vision StatementThe vision of Active is a future where all people have access to affordable housing of choice in communities that embrace and celebrate participation and quality of life for all.

Mission Statement

The mission of Active, through strong governance and inclusive management practices is to achieve quality of life outcomes for people who experience disability or other disadvantage by the:

- Implementation of quality business practices to achieve sustainable tenancies.
- Delivery of affordable, accessible and appropriately maintained housing.
- Empowerment of tenants through the provision of both individual and collective development and through inclusive decision-making structures.
- Collaboration with the community and others, including government, to achieve community and sector aspirations for housing and disability.
- Creation of more housing opportunities by acquisition, development and joint venture.
